College

College is made up of a number of things and the number varies in content and import with the individual. But for each person the chief ingredients are students and faculty. They are a part of the process which never ends . . . the process of teaching and learning which has just begun.

*Dr. Mickle looks over the drawing of the new girls dormitory.*

This "Yoncopin" will become for each of you a book of memories, a book to which you will turn frequently, and we hope fondly in the years ahead.

Each time you make these pilgrimages back through the halls of memories we should like for you to know that Centenary thinks of you and speaks to you as Socrates spoke of his own sons just before he drank the hemlock:

"When my sons grow up - - - I would have you trouble them as I have troubled you, if they care about riches or anything more than about virtue. Or if they pretend to be something when they are really nothing, then reprove them for not caring for that for which they ought to care - - -."

# Features

Features remind us of the whirl of full skirts amid the dashing splendor of white ties and tails. Features remind us of ballots, elections and popular selection of favorites. Features with a capital "F" contribute to our memories of college life in a special way.

# Miss Centenary

This fall forty-three lovely Centenary Coeds were nominated to receive Centenary's top beauty honor—Miss Centenary. Mel Torme, renowned singer and entertainer made the difficult choice. Miss Martha New from Jackson, Miss., became the bearer of the coveted title. Martha is a Sophomore and is admired by students and faculty alike for her fresh natural beauty. Centenary is indeed proud of her and feels that she is in every way truly a beauty queen to be proud of.

# 1953 Yoncopin

The editor and the staff wish to express their appreciation to the students and faculty for their cooperation in making this annual possible.

Special recognition is given to Lou Brent, Barbara Hood, Jane Young and Leilia Pirkey, who have devoted a great deal of time and energy to the 1953 Yoncopin. Others who worked on the yearbook and are not pictured are Martha New, Mary Lillian Thomas, Pete Long, Joel Meriwether and Jane Ament.

To preserve the customs and traditions which are such a large part of our college has been the aim of the 1953 staff.

# The 1953

Five typewriters going at once to meet the inevitable deadline on Friday so that the students may get the news on the following Wednesday. This is the Conglomerate office, oftentimes quiet only a minute later to be a noise-filled room of reporters, feature writers, columnists, copy-readers and proofreaders and the editor standing there with that worried look on his face, "will there be enough copy?"

There is the business manager making the dummy sheets for the advertisements. Over there is the campus editor writing the latest frat and sorority news and the feature editor interviewing the "Personalities of the Week." There are the sports editors and a reporter on the telephone and the art editor drawing a cartoon.

All of this with the cooperation of the students, faculty and the administration of the school creates a newspaper each week.

Omicron Delta Kappa is an honorary fraternity that recognizes leadership, scholarship and character. Membership in this society is considered the highest honor that a man may receive in college life. This chapter was founded on Centenary Campus in February of 1949.

The members of this organization are the official hosts of the college. They assist in registration, freshman orientation, and promote cooperation among the students. One of their projects this year was the compiling of a student-faculty directory of Centenary College. Dr. Joe Mickle, Dean John B. Hardin, Bill Fraser, Charles Hickcox, Dr. John B. Enrikin and Bryant Davidson are faculty members of Beta Pi Circle of Omicron Delta Kappa.

# Centenary College Choir

The Centenary College Choir began its eleventh year with the traditional choir camp on Lake Bistineau. The Luther Beenes' estate provided shelter for the 49 new and old members, while they practiced between 40 and 50 hours the entire week. This preparation was for the annual concert, "Rhapsody In View," given on the 31st of October, and the concert tours throughout the Ark-La-Tex during the year. Although the choir travels approximately 3,000 miles each year, the members are still able to maintain a "B" average. Only 13 members are majoring in music, the other singers are going into fields such as Pre-Law, Pre-Med, Education, Commerce and the Ministry.

# Choir

*A mighty large cup for such a small man.*

Choir Members: Beverly Aldridge, Mary Frances Bickham, Betty Bryson, Carol Lee Covington, Lora Lee Craft, Joy Deaton, Ann Dillon, Edith Emmerich, Connie Entrikin, Evelyn Forman, Elaine Golson, Carolyn Hudnall, Cherry Sue Jennings, Betty Kennedy, Patsy Laird, Betty June Lee, Mitizi Lowe, Gloria Ming, Rhoda Morehead, Dorothy Peeler, Pat Peterson, Mazie Rice, Peggy Rountree, Mary Bays Serex, Jo Anne Sherrod, Sue Weaver, Elsie Whiddon, Betty Willis, Jean Womack, Louis Blankenbaker, Roland Cordill, William Davis, Walter Dobie, Pete Harbuck, Jim Herring, Byron Hill, William Holloway, G. A. Jackson, John Kotarski, Herschel McClure, James McCormick, Stanley Menking, Bruce Middlebrooks, David Moore, Kirk Nesbitt, Douglas Peterson, Joe Pollard, Tom Ragland, Robert Robinson.

*"Thank me not for what I sing Thee, Thine are the songs, no gift of mine" are words well remembered by the choir while singing for the World Methodist Conference in San Francisco.*

Mr. MacGimsey bids "farewell" as the choir leaves on Mid-Semester Tour.

Frank Page and Jack Jones, from KWKH, review recording details with "Cheezy."

The highlight of last year's season was the dramatic production, "A Faith is Born," presented at the Annual World Conference of Methodist Churches in San Francisco. Having been written into this production the choir feels that it was a part of the pioneering in the field of religious drama. Produced at a cost of over \$20,000—it was shown twice to Texan audiences in Dallas before moving on to San Francisco and its presentation at the War Memorial Opera House. This year the Lions Club will sponsor the "Shreveport Singing Ambassadors" at their convention in Chicago. This tour will bring down the curtain of activities until next fall.

Such sweet good-byes.

Time out for coffee.

What would the choir do without the Baggage Checkers??,

For the past few years, the Centenary College Playhouse has become Shreveport's theater of quality—doing the best in the best possible fashion. Already this year, Director Joseph Gifford has presented Shakespeare's *Hamlet* and O'Neill's *Emperor Jones*, scenes from which are shown here.

# Athletic

Athletics at Centenary can be viewed from two angles. From the spectator's point of view there are basketball games, cheers, baseball games and crowds. From the participant's point of view there are intramural games, tournaments and opportunities for individual efforts in athletic endeavor. And viewing it all is a wise Centenary Gentleman who reminds us that most important "it is not whether you win or lose, but how you play the game."

*Coach F. H. "Buss" Delaney*

## BASKETBALL

Centenary's biggest opponent this year was King Accident. Prior to the bus accident that put half the first-starters on the bench, the Gents had an 18-5 series. In the remaining eight games, Centenary dropped five.

Next biggest opponent was Gulf States League officials who ruled Centenary ineligible after they had cinched the title. Next year a non-affiliated Centenary will watch in on the curves.

*Basketball*

The Women's Intramurals opened its season in September with volleyball. Games were played every Wednesday night. Again this year the Chi Omegas won the volleyball trophy. When Basketball season began, each organization showed great enthusiasm. Throughout the double round robin the girls of Aufait won all of their games thus the hard-earned trophy became theirs. Spring and time for the big tournament composed of Badminton, Ping Pong and Paddle Ball. Singles, doubles and mixed doubles brought fun and enjoyment to the entire student body. Swimming followed and each girl dashed out to show her aquatic ability. The final intramural sport of softball brought the participants out into the spring sunshine to fight for the final trophy. The girls seem to take a great interest in the Women's Intramurals and the program this year was a complete success. The pictures that appear on these two pages are action shots taken of the various activities of Women's Intramurals.

. . . at Sears!

All Sears merchandise is FIRST Quality. It is carefully designed; made to rigid specifications; and triple-tested in the Laboratory, the Factory, and in actual "in use" conditions—where goods must prove its strength or confess its weakness. Then, lest something might fail, we say in all good faith:

*"Satisfaction guaranteed  
or your money back."*
